The easiest FUNdraising you'll ever do!

We know how hard it is for clubs to raise much needed funds, so we'd like to help. At our Big Swing Golf centre we are all about **FUN**, and we can put the **FUN** into your **fundraising**!

Big Swing Golf Kew will provide your club with **FREE** access to our indoor golf centre for 2 nights throughout the year. You make the call on how much you want to charge your members and guests to play, and you pocket the **FULL** amount.

We organise the **FUN** on the night, and whether you're a keen golfer or someone just learning the game, there is something for everyone. On our simulators you can play iconic golf courses, take on the arcade games and skills challenges, or have a crack at the nearest the pin. All ages, all abilities!

Call or email today to find out more about how it all works. We have a limited number of clubs we can support, so we'd hate you to miss out.
